

## Why get certified?

---

Your textbook assignments plus SAM have helped you learn how to prepare for MOS certification exams. Here is what Microsoft has to say about the benefits of certification:

**Microsoft Office Specialist Certifications acknowledge you have the expertise to work with Microsoft Office programs. Office Specialist-certified individuals report increased competence and productivity with Microsoft Office programs as well as increased credibility with their employers, co-workers, and clients. Office Specialist certification sets you apart in today's competitive job market, bringing employment opportunities, greater earning potential and career advancement, in addition to increased job satisfaction."\***

**I have personally taken Microsoft Office Specialist Certification exams. If you are interested in preparing for a certification exam, join the alumni sections in SAM. I have provided all of your SAM course materials for training, projects, and exams – plus more – to be used over and over to help you prepare for a certification exams. (Do not use your class section. Just use the alumni section.)**
