Cengage Unlimited will allow you to select the required textbook(s) as ebook(s). Once purchased, you may rent the textbook(s) as hard copy for the duration of the class. Text materials expire at the end of the class. If you have more than one class requiring Cengage materials in a semester, you only need to purchase a subscription to Cengage Unlimited one (1) time. This link show you other OCC classes that use Cengage materials.

Cengage Unlimited will also allow you to select the digital product, SAM (Skills Assessment Manager). Unlike textbooks, SAM does not expire at the end of the class. The digital product may be used for many years to come.
